The Appointees will receive an automatic e-mail from the system with the credentials to access the PASS page. Please remember that on the PASS page, both the Exhibitor (with their own account) and the Appointee (with their own account) can enter the names of their staff and the license plate numbers of their vehicles to print the passes necessary to access the Exhibition Centre during the set-up and dismantling phases.

06:30 p.m. – 08:00 p.m. (only removal of samples by hand)	08:00 a.m. – 12:00 p.m.

Any advances with respect to the set-up days or any extensions to the scheduled times must be authorised by Bologna Exhibition Centre and purchased through the Bologna Exhibition Centre Sales Office. No extensions are permitted on sample set-up days.

Vehicle access to the areas and halls will be regulated as per those for the set-up work (see article 2.C).

The stands, wherever located, must be cleared by the time of 06:00 p.m. on the date of 11 October 2025.

In the event of non-compliance with the dismantling times and/or that the Exhibitor fails to clear the area, the Exhibitor gives its irrevocable consent to BolognaFiere to consider anything left on the stand as waste material to be sent to public waste disposal sites, for which the Exhibitor will be required to reimburse all the related direct and indirect costs, with a minimum of €700.00 per 16.00m², and without prejudice to any reimbursement for further damages.

The Exhibitor assumes sole responsibility for any damage or theft that may occur during the course of the Exhibition, both during and after the set-up phase.

2.E – Payment methods

The fee to take part in the Exhibition must be paid in accordance with the deadlines and in the manner provided for in the application form.

2.F – Insurance - Exemption, Assumption and Limitation of Liability

The Exhibitors must monitor their own stands either directly or by means of their own staff, during the entire Exhibition period. BolognaFiere provides a general day and night surveillance service inside the Exhibition Centre for the entire duration of the Event, as well as for stand set-up and dismantling periods, and therefore, may not – along with the Organizer – be held responsible for theft and/or damage that may be sustained by the Exhibitor. The Exhibitor shall also be responsible towards BolognaFiere for all damage, be it direct or indirect, which for any reason is attributable to said Exhibitor or to the staff working for them (including damage caused by furnishings or by systems set up either directly or by third parties engaged by them, even if they have been inspected by BolognaFiere).

Compensation for damages due to theft or damage that may occur to the Exhibitor, even outside the opening hours of the halls (including both the set-up and dismantling period), shall take place only through insurance coverage and within the limits/conditions stipulated therein.

The Exhibitor shall benefit from the following insurance policies taken out by BolognaFiere and agreed with the Organizer:

- a) All Risks coverage (including fire and theft) for direct physical damage to furniture, fittings, equipment and goods on the stand, excluding cash, valuables, jewellery and the like, and excluding the software installed on computers and excluding any coverage for loss of use of furniture, fittings, equipment and goods during the Event period: Euro 40.000,00 full first loss coverage (including fire and theft), with absolute excess of Euro 300.00 per claim, increased to Euro 600.00 for damages sustained after conclusion of the Event;
- b) Third party Liability coverage, including fire damage: single limit Euro 50.000.000,00;
- c) Exhibitor Employees Liability coverage: single limit per claim of Euro 3.000.000,00 with limit of Euro 2.000.000,00 per person;
- d) The Exhibitor and BolognaFiere waive the right to claims made against the Event's insurance company.

The above listed insurance policies are governed by the conditions and limitations which the Exhibitor may request from the Organizer. The summary of the contract conditions is available in the insurance office located in the Service Centre of the Exhibition Centre. These insurance policies do not release the Exhibitor from liability in respect of risks which, according to the independent assessment of the Exhibitors, are not covered, or which exceed the limits of coverage, as set out above. Exhibitors must take out such supplementary coverage as deemed appropriate by them, also by contacting the broker directly (AON SpA, tel. +39 051 04071, e-mail: info.fiera@aon.it).

In particular, and due to the existence of a video surveillance system in the halls, the Exhibitor acknowledges the fact that, in the case of theft, the relative report to the Public Authority must be received by the insurer by e-mail (sinistri.fiera@aon.it) within seven days from the conclusion of the event, and that failure to comply with this deadline may result in the loss of the right to compensation.

The Insurance Company will also handle claims and settlements at the end of the Event.

In any event, the Exhibitor hereby undertakes to include a clause in the supplementary insurance coverage in which the insurer waives any action of recourse or redress against the Exhibitor and BolognaFiere and, in default, shall indemnify them from any action that may be brought against them.

Having noted the above, the Exhibitor nevertheless (on their own account, as well as for their agents, employees or assistants) expressly exempts both the Organizer and BolognaFiere from any liability for loss or damage that should occur in the Exhibition area, during the installation or dismantling of the area assigned to the Exhibitor, and in respect of anything located therein, accepting sole liability for any damage caused to third parties by the management of the Exhibition area or by anything therein, and which is not covered in the terms or manner indicated above or by additional insurance cover taken out by the Exhibitor.

The Organizer and BolognaFiere will accept no liability for consequential damages, damage to image, loss of revenues, etc... As regards direct damages, the Exhibitor accepts that the liability of the Organizer and BolognaFiere is limited to the insurance limits as stated above.

NOTE: It is strongly recommended not to leave valuable goods unattended on the stand and to monitor the stand during set-up and dismantling.

3.D – Warnings

BolognaFiere reserves the right to have the fittings and systems that do not comply with the above provisions modified or refitted, having previously checked compliance with the aforementioned requirements. In the event that BolognaFiere finds even just one defect, it may request prompt resolution of the same and the Exhibitor will be required to comply.

Responsibility for the structural resistance and compliance of the set-up materials with the fire regulations currently in force is borne solely by the Exhibitor, who expressly releases BolognaFiere from liability for any damages arising from design and construction defects, including the dimensioning as inferred from the detailed drawings of the areas occupied.

Any work that entails changes in the actual state of BolognaFiere's fixed and movable property (reinforcements, modifications, excavations, holes in fixtures, walls, structures, columns, floors), may only be carried out with the prior written authorisation of BolognaFiere and at the expense and under the responsibility of the participants. The Exhibitor maintains this responsibility for the entire period of the Exhibition and until the stand is returned to BolognaFiere. Before the works begin, the participant shall pay the Organiser the amount necessary to restore the stand to its original state, which will be taken care of by the Organiser.

5. SPECIAL SERVICES

5.A – Entry passes for exhibitors and car parking badges

Exhibitors will be provided, free of charge, with **nr. 10 entry passes** and **nr. 1 Car Park Pass**, regardless of the size of the stand.

Furthermore, for safety reasons it is strictly forbidden to park vehicles inside the Exhibition Centre during its closing hours. Badge holders will be entitled to park in the car parks set up by BolognaFiere until all available parking spaces are used up.

The Exhibitor is responsible for the correct use of these documents and the behaviour of those who use them.

5.B – Hotel booking service

The hotel booking service is provided by BolognaFiere's Official Supplier, whom the Exhibitor must contact directly using the relative online form, in which the terms and conditions and prices are indicated.

Likewise, this service is regulated but not organised by BolognaFiere, which therefore declines all responsibility for its delivery.

Any complaints must be made in writing directly to the Official Supplier and must be communicated to BolognaFiere for information purposes only.

5.C – Sound transmission, copyright payments

Exhibitors are not normally permitted to use devices for the reproduction of music and sounds. Any exceptions may be authorised in writing. This authorisation may be revoked with immediate effect at any time, by simple written notice.

Any authorisation does not exempt the Exhibitor from using the equipment in such a way so as to not disturb the other Exhibitors and visitors, particularly with regard to noise pollution regulations (maximum limit permitted by Law). Likewise, the Exhibitor is not exempted from the requirement to comply, at its own expense, with the applicable laws on copyright (authors and publishers) and related rights (producers and artists) and must therefore complete the relative formalities with the companies in question. The same applies to the distribution of audio-video or multimedia supports containing intellectual property protected under the law, for which the costs to approve the use of said supports are added, with respect to the above.

5.D – Activities in the exhibition stands

Exhibitors must refrain at all times from using the common areas outside their stand for the display of promotional material. BolognaFiere shall be entitled to remove such material from the common areas and/or to charge for the payment of the additional space used. Failure to comply with this rule may result in the Exhibitor's stand being closed.

5.E – Exhibitors List

The online exhibitors list is available on <https://traffic.show> and <https://e-charge.show/> and it contains data provided by the Exhibitor in the application form.

6. OVERSIGHT AND INTERVENTION BY BOLOGNAFIERE

BolognaFiere takes steps to ensure that the regulations and the general conditions for participation are observed, and all those entering the Exhibition Centre are obliged to abide by the provisions and instructions that BolognaFiere Spa issues on entry to and inside the Centre; these may take the form of specific signs, written notices, and loudspeaker announcements and may also be issued by service personnel or by any other means, it being understood that the loudspeaker announcements and the instructions given by the service personnel prevail over any other form of notification.

Exhibitors are reminded that any infringement of the rules or prohibitions may result in the immediate closure of the stand by BolognaFiere officials or agents and the collection of entry passes and car parking badges, all without any right of the Exhibitor to refunds of any kind.

7. AMENDMENTS TO THIS REGULATION

Any provisions of the law or regulations that alter the terms of this regulation will immediately and automatically take effect, even if the Exhibition Regulations have not been amended to reflect said changes.

Additionally, BolognaFiere has the right to adopt at any time such measures as are deemed appropriate, which the exhibitor shall immediately apply, with regard to fire prevention, occupational health, accident and injury prevention and the safety of exhibitors and visitors.

These measures may be notified to Exhibitors using any means and shall prevail over any general measures previously adopted.
